

Steeped Single-Serve Coffee Solution

What is Steeped Dancing Goats® Coffee?

Steeped Dancing Goats® coffee is an environmentally responsible, single-serve coffee solution focused on exceptional coffee in a fully compostable package. Ethically sourced, Batdorf & Bronson® coffee is micro-batched, locally roasted, and nitrogen-sealed in Guilt-Free Packaging™, offering a simple, single-serve coffee solution that only requires hot water and a mug!

Perfect for waking up in a luxurious hotel suite or for waking up under the stars, Steeped Dancing Goats® coffee combines quality and convenience for the first time to revolutionize your on the go experience.

Benefits

- Enjoy ethically-sourced, Batdorf & Bronson® specialty-grade coffee wherever your adventures take you.
- Guilt-Free Packaging™ innovation, certified for both home and industrial composting.

Available in Dancing Goats® Blend and Dancing Goats® Decaf. Contact sales@batdorf.com for more information.
